

See Yourself Saving with *myRA*

NOW YOU CAN START SAVING FOR RETIREMENT WITH A NEW ACCOUNT FROM THE U.S. DEPARTMENT OF THE TREASURY

Wish you were saving for retirement but don't know where to start?

Get to know *myRA*SM (*my* Retirement Account), a simple, safe and affordable way to take more control of your future and start saving. Offered by the U.S. Treasury.

Designed For You

myRA could be a good option if you're a wage earner and don't have access to a retirement savings plan through your job. It's a type of Roth IRA* – a popular retirement savings tool – that has been specifically designed by the U.S. Treasury to remove barriers, like fees and minimum initial contributions, that keep people from saving.

- Currently available through participating employers
- Generally available to anyone who earns an annual income of less than \$129,000 a year for individuals and \$191,000 for married couples filing jointly
- You decide how much you want to save – as little as a few dollars a month up to \$5,500 per year*
- Money is directly deposited into your *myRA* every paycheck, making saving automatic
- Manage your account online to track your savings
- Increase your savings by simply telling your employer to increase the part of your pay going into your *myRA* account
